

The mountain is a great, silent, and
solitary thing. It has a life of its own,
and it is a life that is not shared
with any other. It is a life that is
ancient and timeless, and it is a life
that is as mysterious as it is beautiful.

once and
for
all

The mountain is a great, silent, and
solitary thing. It has a life of its own,
and it is a life that is not shared
with any other. It is a life that is
ancient and timeless, and it is a life
that is as mysterious as it is beautiful.
